

CAPITOL GROUNDS PROJECT — Request for approval

Under North Dakota Century Code Section 48-10-03, it is provided that no construction or placement of an item on the capitol grounds may be undertaken without approval of the capitol grounds planning commission, unless authorized by the legislative assembly. The commission has developed a capitol grounds master plan which should be consulted before submitting project proposals. This form is to be used for reference by the commission and in conferring with the state council on the arts with respect to the artistic value of the proposed project. Please complete this form with the best information available. Attach any information you believe to be relevant to the decision of the capitol grounds planning commission.

Description, proposed location, and purposes of proposed project (attach drawings, maps, etc.). If the project is a monument, in which classification of capitol grounds master plan monument evaluation criteria does it belong? Is this project to provide any profit to any group?

Group proposing project (list contact people with addresses and telephone numbers)

Anticipated changes or damage to capitol grounds vegetation, pavement, or structures

Proposed plaque or other informational marking (provide description of materials, dimensions, letter size, and exact text — see capitol grounds master plan guidelines)

Funding source and estimated project cost (will any excess be donated to the state for maintenance?)

Costs to be incurred by the state (including future maintenance)

Timetable for beginning and completing project

If you have any questions on completing this request form, contact the Facility Management Division of Office of Management and Budget, State Capitol, Bismarck, ND 58505 (telephone 701-328-2471).
